Yep, that's me

álida díaz de freijo valiño

senior product designer | product · systems · ai | based in barcelona

One designer, many vibes, same obsession: making complex things feel simple. 8+ years shaping products with teams and finding direction together, usually before the brief has quite made up its mind.

↑ one of the vibes I wear

01 work

2026 — now

Senior Product Designer · Garaje de Ideas, for Roche

Responsible for UX on a healthcare platform product in a regulated environment. Improving how the team works: rituals and meetings, requirements definition, UX testing and AI-assisted design workflows.

↳ WAYS OF WORKING · REQUIREMENTS · UX TESTING · AI WORKFLOWS

2023 — 2026

Team Lead · Senior Product Designer · North Digital Studio

Coordinated the UX team on client projects for brands like CUPRA and CaixaBank, sharing decisions with product and client teams. Drove concept and ideation, owned a strong visual and UI layer, and presented work directly to client leads.

↳ TEAM COORDINATION · VISUAL & UI · CLIENT PITCHING

2020 — 2023

R&D Product Designer · Capgemini Engineering

Designed future-mobility apps and web experiences within EU-funded R&D projects, coordinating European partners and cross-functional teams.

↳ RESEARCH · PROTOTYPING · CROSS-TEAM COLLABORATION

2018 — 2020

Product Design Manager · Ciclus Design Studio

Led sustainable product projects from concept to delivery, managing clients, team and suppliers.

↳ CONCEPT TO DELIVERY · CLIENT MANAGEMENT · ECODESIGN
